INTAKE REVIEW

Our team reviews referrals within 24–48 hours to determine appropriateness and availability.

SCREENING & COORDINATION

We coordinate directly with the referral source to discuss:

- Client needs
- House compatibility
- Safety considerations
- Move-in planning

MOVE-IN PROCESS

Once approved:

- Move-in date is scheduled
- House expectations reviewed
- Medication procedures coordinated
- Orientation completed

ONGOING COMMUNICATION

We maintain communication with referral partners regarding:

- Intake status
- Resident adjustment
- Significant concerns/incidents
- Discharge planning

IDEAL REFERRALS

We are best suited for individuals who:

- ✓ Are medically stable
- ✓ Can participate in community living
- ✓ Benefit from structure and support
- ✓ Are motivated toward stability and independence
